

A large, rectangular, textured surface with a 'Mashroom white' finish. The surface has a complex, organic, and somewhat irregular texture, resembling a mushroom or a piece of aged paper. The color is a light, off-white or pale grey. The texture is characterized by numerous small, interconnected ridges and valleys, creating a rich, tactile appearance. The surface is set against a background of green artificial grass, which is visible on the left and right sides. The overall composition is simple and focuses on the material's texture and color.

**Beij**

A rectangular sample of a dark gray material with a highly textured, stone-like surface. The texture is irregular and pebbled, with some visible cracks and variations in shading. The sample is placed on a light-colored surface, possibly a table or workbench, with a cardboard box visible in the background.
